**FOR IMMEDIATE RELEASE**

**NEVADA GYMNASTS RALLY AT NEVADA STATE CHAMPIONSHIPS,  
QUALIFYING OVER 60 ATHLETES TO COMPETE AT THE REGION 1 CHAMPIONSHIPS**

**Nevada State Organizing Committee and Go For It USA to  
Sponsor Gymnasts Qualifying to Continue on to Nationals**

Nevada gymnasts are set to enter the regional and national stage in a big way. Nearly 100% of the gymnasts competing at the Women's Nevada State Gymnastics Championships in levels 8-10 this past weekend in Las Vegas made the qualifying score of 34, to be able to continue on to the Regional competition April 9-11 in Long Beach, California.

The top six gymnasts in each level will represent the State of Nevada as the State Team. These girls will compete against the best six athletes in each of the other states in the region. The level 8 gymnasts are: Savanna Force, Jennifer Leslie, Sara Means, Samantha Shulman, Maiko Suarez, and Jessica Yamzon. The gymnasts in level 9 are: Vanessa Aviles, Tiffany Newell, Andrea Perea, Stacy Prendiville, McKinley Pavicic, and Courtney Soliwoda. The gymnasts in level 10 are: Danielle Dessaints, Dihanna Ham, Erica Oswalt, Asi Peko, Taylor Rice, and Randii Wyrick.

By qualifying for Regionals at last weekend's Nevada State meet, these athletes have taken the first step on the road to the national stage. Those Nevada gymnasts qualifying in level 9 will compete at Western Nationals in Des Moines, Iowa April 29-May 2. Level 10 athletes who qualify will compete in the Junior Olympic National Championships May 6-9 in Dallas, Texas.

This year, the Nevada State Organizing Committee and Go For It USA, host of the Nevada State Championships, will take the unprecedented step of paying the entry fees for those Nevada gymnasts who qualify to Nationals from the Regional Competition. "Even though the number of level 9 and 10 athletes in Nevada is less than many states, the percentage who qualify and medal at the national championships is very high. We are proud to sponsor these dedicated and very talented gymnasts as they represent Nevada gymnastics on the national stage!"

Brandy Bauman, owner of Go For It USA, and Assistant Director for the Nevada State Championships, is inspired by the excellence the gymnasts brought to the State meet this year. "The performances we were able to witness at this meet were absolutely phenomenal. We are thrilled to be able to support these amazing athletes as they continue on to the national stage and represent Nevada Gymnastics. The state of Nevada will be incredibly well represented this year and we couldn't be prouder."

Go For It USA is a gymnastics academy with competitive teams in artistic as well as group gymnastics, and is home to countless state, regional, and national titles in both disciplines. Go For It USA offers classes in Gymnastics, Tumbling, Cheer, and Tae Kwon Do. Both competitive and recreational levels are available.
